STAFFORD ACT AND
DISASTER RECOVERY
SERVICES

CAPABILITY STATEMENT

Stafford Act Disaster Recovery Services offers comprehensive emergency management solutions to help communities manage their projects, maximize disaster funding, meet disaster housing needs and minimize recovery time.

EXECUTIVE SUMMARY

The Stafford Act and Disaster Recovery Services is one of the most comprehensive disaster assistance and emergency management consulting firms in the industry. We offer solutions to help communities meet emergency management recovery and disaster housing needs and to minimize recovery time. With nearly 30 years of experience in disaster recovery, including Community Development Block Grant - Disaster Recovery (CDBG-DR), Individual and Households Assistance, disaster housing construction (temporary and permanent), HMGP and Public Assistance, we provide viable solutions to virtually any recovery issue.

OUR MISSION

The Stafford Act and Disaster Recovery Services guided mission is to help affected communities find their way during a disaster by serving as a singular resource to assist in the recovery from disasters and other catastrophic events. We provide viable comprehensive solutions that address the emergency management needs of state and local governments, and private nonprofit entities.

CORE COMPETENCIES

- Disaster Program Management
- PA, IA, CDBG-DR Project Management
- Staff Augmentation
- Regulatory and Policy Analysis
- Programmatic Compliance

LEADERSHIP

The Stafford Act and Disaster Recovery Services has nearly three decades of experience in all areas of disaster assistance and emergency management. We have guided states and local governments in managing their Stafford Act programs - PA/IA/ HMGP, URA/Buyout and Temporary Housing/ Temporary Sheltering Solutions. In addition, we assist client in their recovery through the CDBG-DR, CDBG-MIT and Infrastructure Reconstruction programs provided through HUD. We provide these services on an individualized basis, tailoring solutions to meet the community's specific needs. We also offer regulatory and programmatic compliance, procurement management and appeals services to help recoup funds originally denied by FEMA.

PAST PERFORMANCE

- Performed multiple services for the North Carolina Office of Recovery and Resiliency (NCORR), including regulatory compliance for infrastructure projects, federal Privacy Act, Personally Identifiable Information (PII) and trained local governments regarding URA issues - Hurricanes Florence and Matthew
- Maintenance and deactivation of over 500 temporary housing units in Southeast Louisiana for the Governor's Office of Homeland Security and Emergency Preparedness (GOHSEP) — Hurricane Ida
- Managed forty-two (42) community reconstruction projects under the HUD CDBG-DR program concurrently for 14 towns, villages, counties and conservation districts in the southern tier of New York with total cost of \$100 Million Dollars — Hurricanes Sandy and Irene and Tropical Storm Lee
- Wrote CDBG-DR Action Plan for the Division of Housing and Neighborhood Development for Polk County, FL — Hurricanes Charley, Frances, Ivan and Jeanne
- Managed disaster housing mortgage assistance program and Disbursed million in mortgage assistance in six (6) months — Hurricane Sandy
- Maintenance and deactivation of over 1,100 temporary housing units in Southeast Texas — Hurricane Ike
- Appealed denials of PA grants on behalf of local governments, school districts and private non-profit entities that secured over \$25 Million Dollars in federal disaster aid initially denied by FEMA — Hurricanes Fran, Floyd, Charley, Frances, Ivan and Jeanne
- Managed the Hertford County (NC) Buyout Project (acquired 80 homes and a 30-unit mobile home park and relocated all residents within six (6) months) — Tropical Storm Allison
- Managed the Town of Sharpsburg Tenant Relocation Project (relocation assistance - rental assistance, moving expenses and advisory services - to approx. 60 families in nine (9) months) — Hurricane Floyd
